Major General Ridgely Gaither
Assistant Chief of Staff, G-2
Department of the Army
Washington, D. C.

Dear Ridgely:

You may be amused by the attached FBIS report from the East German Propaganda Office. We are not reproducing this in our regular FBIS distribution.

As commentary on the report, I would like to add that Art Trudeau cooperated one hundred percent with regard to all matters relating to the "tunnel" and that the service rendered by the Army Engineers under his direction was outstanding.

My only other comment is that the lady in question mentioned in this report, never knew of the existence of the tunnel until after its discovery.

Sincerely,

151
